

Welcome to ConfiDance Studio!

For over 30 years, ConfiDance Studio has been proud to be part of the Kitchener-Waterloo dance community. Our goal is to create a positive and welcoming environment where dancers of all ages and abilities feel supported, encouraged, and inspired to grow.

We believe dance is about so much more than learning steps. It is about building confidence, developing strong technique, expressing yourself creatively, making lifelong friendships, and learning valuable life skills along the way.

Whether your dancer is taking their first class or is an experienced senior, we want every dancer to feel that they belong at ConfiDance. We strive to create positive experiences that help our dancers grow both in the studio and beyond.

At ConfiDance, we believe in three simple things:

Dream Big. Be Kind. Have Fun.

These values are at the heart of everything we do.
